

# THE SUMMER HEAT IS HERE!

We hope your summer is going well. Doug Sinclair and Craig Griffey are finishing up our 3rd round of fertilization, which includes slow release fertilizer, grub and surface insect control, as well as spot treatment for weeds. They are also keeping an eye out for nutsedge and treating as needed. The next round of fertilizer will also include a spot treatment for weeds. Please call Drew Ziegelmeyer at 513-984-5200 for lawn fertilization and/or tree and shrub care applications.

Sprinkler systems are a great investment and last a very long time. Almost every system we have installed over the past 20+ years is still in operation today. We use all RainBird products, which include a 5-year warranty (the best in the industry). Our crews are experienced, passionate and dedicated. Please call Dennis Eppert at 513-984-5200 for sprinkler system quotes and scheduling.

LED lighting is great for aesthetics, safety and security. LED lights use 85% less electricity than standard lights and include a 20-year warranty on the bulbs. Paramount can install 12 lights including labor, wire, fixtures, transformer, bulbs and astronomic timer all for \$2,950.00.

Paramount offers 12 months zero interest financing for projects up to \$35,000. It's simple and easy. Just call Cindy Jencks at 513-984-5200 and she will get you set up!

Please call us for any of your landscaping needs. If we can't help you, we will point you in the right direction. Paramount offers the following services:
